GNLU PRESS NOTE

No. 40/2016

MHRD - GIAN Programme benefits GNLU with two Foreign Professors

Dear Sir/Madam,

Greetings from GNLU!

Gujarat National Law University (GNLU), a Research Based Teaching University, is committed to address the contemporary legal issues and to provide excellent and world class legal education. This has always been reflected through its various activities which includes regular lectures, teaching-learning process in the University. To fulfil this objective, GNLU regularly invites experts from various fields of law and other interdisciplinary areas for delivering guest lectures, conducting trainings and workshops, seminars etc. with a focus on removing the barriers of geographical boundaries and enhancing knowledge sharing.

In pursuance to these activities, GNLU has received a grant from the Ministry of Human Resource Development (MHRD) under the Global Initiative of Academic Network (GIAN) scheme of the Ministry. Under this initiative / scheme, GNLU will be conducting the GIAN Course at GNLU from 1st to 9th September 2016 on "International Legal and Business Risk Management: Ethics and Reputation Management with Comparative Case Studies". Dr. Linda S. Spedding will be the Resource Person for the same and will be sharing her immense knowledge with the students on International Law and Business Laws and will be highlighting the Risk Management of Business internationally and trans-boundary legal issues and concerns. Dr. Linda Spedding is a Solicitor of the England and Wales and is also a transnational lawyer. She is also the founder of Women in Law International (WIL).

The course will be open to students of LL.B., LL.M., Management, Professionals and Lawyers of International Law and Business Risk Management, and also the Scientists of Space Research Organizations along with the students and faculty members of GNLU. This lecture will enable an understanding of the importance of best sustainable legal and business risk management practice from international legal developments and to create an understanding of how this can be applied to improve awareness of the key issues relating to ethics, transparency and governance and implement sound responsible legal risk management practice following - and being in accordance with - both regulatory and voluntary global standards and initiatives in view of national state of development

Gujarat National Law University

Gandhinagar, Gujarat, India

Under the same scheme, GNLU will be conducting the GIAN course on Air and Space Law. Prof. Dr Stephen Hobe, Director of the Institute of Air and Space Law, University of Cologne, and Jean-Monnet Professor for the Law of European Integration & Director at Law Centre for European and International Cooperation, University of Cologne will be the Resource Person for the same. He will share his knowledge and experience on the subject in September 2016.
