Any bid without EMD will be summarily rejected. No interest is payable on EMD.** EMD will be refunded to the unsuccessful bidder, after 15 days from the completion of the tender process. The EMD of successful agency awarded with the contract to be treated as part of security deposit towards Performance Guarantee. No interest is payable on Security Deposit. Security Deposit shall be forfeited if the selected agency after award of contract, fails to execute the same.
- (8) **Price:** The price shall be **quoted in Indian Rupees only**, on free delivery at site basis. This shall be inclusive of all taxes, and **summary cost** of total implementation be indicated. All kind of taxes should be specifically mentioned in the price bid, Excise Duty Exemption/Custom Duty etc.
- (9) **Bid:** Technical Bid and Price Bid should be submitted in two separate sealed envelope quoting reference number on the top of the envelope. Tender Fee and EMD should be enclosed with the Technical Bid documents, in separate sealed envelopes, stapled with the packet containing Technical Bid documents. The CONTRACTOR/FIRMS may either bid directly or authorize their Country/Regional/State

Distributors/Dealers/Agencies, to quote with valid authorization certificate, capability to sale and service of the products.

- (10) **Acceptance of Tender:** The Authority of Gujarat National Law University, Gandhinagar does not bind itself to accept the lowest priced bid and reserves the right to reject any or the entire tender bids received without assigning any reason thereof. The authority may also decide to empanel more than one CONTRACTOR/FIRM or their certified authorized distributors/dealers and fix a price band for the product specifications offered by different companies/brands, compliant to minimum specifications asked in the tender. This is in view of the spectrum of products available in the market, requirements of the University.
- (11) **Extra Features:** If the bidder provides any other extra features on the supplied items which are not mentioned in the tender product specifications, then that shall be highlighted in clear terms, with documentary evidence/literature.
- (12) **Compliance List:** The proposal be properly indexed and a compliance list against the technical specifications should be provided.
- (13) **Service:** Response Time should be less than 24 (Twenty four) hours on the same business day.
- (14) **Installation and Commissioning:** Free of cost at Gujarat National Law University, Gandhinagar.
- (15) **Conditional Offer** will not be accepted.
- (16) **Amendment of Bidding Documents (Corrigendum):** At any time prior to the deadline for submission of bids, GNLU may modify the bidding documents. The corrigendum will be published on website <http://www.gnlu.ac.in/tender.php>. In order to allow prospective bidders reasonable time to take into consideration the amendments while preparing their bids GNLU, at its discretion, may extend the deadline for the submission of bids.
- (17) **Period of Validity:** Bids shall remain valid for acceptance for a period of 60 days from the date of opening of the price bid.
- (18) The benefit of any downward price revision (revision on account of budget/financial policy, tax revision, EPZ etc.) is to be given to Gujarat National Law University, Gandhinagar by the selected CONTRACTOR/FIRM/agency.
- (19) **Past Performance of the agency will be judged at the time of Technical Evaluation.**
- (20) **The University does not bind** itself to offer any explanation to those bidders whose technical bids have not been found acceptable by the Technical Evaluation Committee.
- (21) The bids (technical and price bids) once submitted shall be the property of the University and shall not be returned to the agency in future.
- (22) **The person/officer signing** the tender/bid documents should be authorized by the Chief Executive Office/Managing Director / Proprietor / Partner of the Company to sign such documents.
- (23) **Opening of Price Bids:** The Price Bid(s) of only those agency(s) who are found technically qualified will be opened and the same will be opened before the technically qualified agency(s).

(24) Tenderer or his/her authorized representative (with proper authorization letter for attending opening of technical bids and also for opening of price bids) may choose to be present at the time of opening of Technical Bids/Price Bids.

(25) **IMPORTANT:**

- a) University may accept or reject any or all the bids in part or in full without assigning any reason and does not bind to accept the lowest bid. The University at its discretion may change the quantity/upgrade the criteria/drop any item or part thereof at any time before placing the Purchase Order.
- b) A bid submitted with false information will not only be rejected but also the Contractor /firm/agency will be debarred from participation in future tendering process.
- c) The CONTRACTOR/FIRMS/Agency need to submit a certificate during opening of technical bids that they are not currently debarred or blacklisted in any state level/national organization or educational institute/university.
- d) In case of any dispute, the decision of the Director of this University shall be final and binding on the bidders.
- e) For any query pertaining to this bid document, correspondence be addressed to: The Registrar, GNLU.
- f) In case the due date for opening tender happens to be a holiday, the same will be opened on the next working day. The timings will however remain unchanged. Please Note that the University remains closed on first & third Saturday, every Sunday & Public Holidays.

TERMS OF CONTRACT

1. If an individual makes the tender, it shall be signed with his full name and his complete address shall be given. If it is made by a firm, it shall be signed with the co-partnership name by a member of the firm who shall sign his own name and give names and address of each member of the firm and attach a copy of power of attorney with the tender. A certified copy of the partnership deed shall also be submitted along with the tender.
2. Every Contractor is expected before quoting his rates to inspect the site of proposed works. He should also inspect the source of materials, their quality and availability. The materials must strictly comply with the relevant specifications. Samples of materials as specified shall be submitted for the approval of the University, before supplying at the site.
3. The contractor shall not in any case after the acceptance of a contract rate be paid any extra charges for lead involved in transport of materials to the site of work, erection and hire of T&P, sheds materials, royalty for earth, boulders, metal & sand etc., or for any other reason in case the contractor is found later on to have misjudged the materials available. All taxes including Octopi, toll tax or sales tax or any other taxes etc., shall be payable by the contractor and any claim whatsoever in this respect shall not be entertained.
4. No alteration which is made by the contractor in the Notice of the Tender, instructions to the contractors, the contract form, the conditions of the contract, the specifications and quantities accompanying the same shall be recognized, if any such alterations are made or any special conditions are attached, the tender is liable to be rejected.
5. No escalation in rates/prices will be allowed during the execution period of the work.
6. Canvassing in connection with tenders is strictly prohibited and tender submitted by the contractors who resort to canvassing will be liable to rejection.
7. The work shall be carried out with the directions and supervision and in stages desired by authorized representatives of the University. On acceptance of the tender the contractor shall intimate the name of his accredited representative who would be responsible for taking instructions from the representative of the University and carrying out the works without any damages.
8. The contractor shall depute a qualified personnel approved by the University and such other office personnel as may be required for the efficient execution of works.
9. No part of the contract shall be sublet without the written permission of the University nor shall transfer be made by power of attorney-authorizing others to receive payments on behalf of the Contractors.
10. The contractor shall make his/their own arrangements for construction/ drinking water and electricity connection required for the work at his own cost.
11. Contractor shall have to provide all safety appliances i.e. safety helmet, safety belt etc. to your workers while working at height at his own cost and follow all regulation and all statutory provisions also covering

the working areas etc. in force. He shall be liable to incur all the expenses in consequence thereof and University is in no way responsible for any damages arising out of this work contract.

12. The contractor shall indemnify the University for All Kinds of injury or death on account of any labour engaged by the contractor as well as property of the University at the site of work. The contractors in this regard shall pay any compensation. The contractor shall be responsible for all implications under labour Laws and Act of the State and Central Government (Including fire insurance).
13. The contractor shall be totally responsible for any damage to the building, building material and his materials, equipment, caused due to fire, rain, flood, storm, or any other natural calamities at the site of work during construction period.
14. No mobilization advance will be paid.
15. All works of operations and use of materials shall be as per specifications mentioned only and as the directions of the representative of the University.
16. Arbitration - In case of any dispute of difference arising in relation to meaning or interpretation of this order/agreement, the same shall be referred to a sole arbitrator to be appointed by the Director of the University. The Arbitration and Conciliation Act, 1996 will be applicable to the arbitration proceeding and the venue of the arbitration shall be at Gandhinagar. The award of the arbitrator shall be final and binding.
17. The measurement of each item executed will be verified jointly and the payment shall be made within 15 days of completion of the verification and submission of bill with verified measurement. If required certification of quality of material/workmanship /work quantity executed will be get certified by an independent architect.
18. The contractor shall at all times abide by the instructions, directions given in respect of the materials, workmanship etc.
19. Statutory Compliance - Contractor shall be responsible for complying with the applicable laws/bye laws/Regulations in force from time to time. Contractor shall have to bear all statutory liabilities as applicable to his workers/personnel engaged by him for the job. Nothing will be paid extra in this regard. If University pays any amount in this regard, the same amount will be deducted from the bill. Contractor shall have to arrange insurance cover for the workers/personnel engaged by you for the job. Also he will be responsible for all the dues of the workers/personnel engaged by him including the liabilities if any towards workmen compensation or under any other law.
20. The contractor is required to cause the demolition of any substandard work in respect of materials and workmanship or both. The contractor must abide by all such instructions.
21. FORCE MAJEURE: - If the work delays by: -
 - (i) Acts of God
 - (ii) Abnormally bad weather, or earthquake or floods or similar calamities.
 - (iii) Serious loss or damage by fire or
 - (iv) Civil commotion, local combination of workers strike or lockout or

- (v) Any other causes, which is the absolute discretion of the University and beyond contractor's control.

Then any force majors condition herein mentioned occur and continue for a period exceeding 15 days the parties hereto undertake to sit together and devise for expeditious and proper performance of the obligations of the parties under this order.

22. Samples of any materials can be had from the contractor free of cost.
23. The Contractor will obtain all necessary permissions/ certificates/ NOCs for execution of the works on behalf of the University from the statutory /Government bodies like, Municipal Corporation, Traffic Police, etc. However, any statutory fees payable in this regard will be reimbursed to the contractor.
24. The Contractor will purchase Insurance policy equivalent to the amount of work for a period of two months from the date of start of works.
25. The Contractor will quote the rates considering the prevailing taxes and University reserves the right to ask for original purchase receipt of any material brought to the site.
26. The contractor will provide analysis of rate for any item quoted is so desired by the University.
27. After completion of the work all the scaffolding materials are to be dismantled and removed from the premises of the University. All the malbas and debris are to be removed and to be dumped in a dumpyard duly approved by the appropriate authority with his own arrangement of transportation by the contractor. All the surplus materials of the contractor are to be removed and the site is to be cleaned in all respects and to be handed over to the University. No extra payment will be made in this regard.
28. Each page of the Tender Documents should be signed by the person or persons submitting the tender in token of his/their having acquainted himself/themselves with the Conditions of Contract, General Specifications, Special Condition, etc. as laid down. Any tender with any of the documents not so signed will be rejected.
29. The University reserves the right to sub-divide the work mentioned in the tender, among two or more contractors at its own discretion and the contractors will have to execute the orders for part of the items placed with them at the quoted rates. The University also reserves the right to increase or decrease the quantities and even omit any items of work after the order is placed and the Contractor shall execute the same without claiming anything extra for the same. In this context the rates quoted for each item must be self-supporting and relevant.
30. On receipt of intimation from the University of the acceptance of his/their tenders, the successful tenderer shall be bound to sign the formal contract and within seven days thereof, the successful tenderer shall sign as agreement in accordance by the University will be binding on the contractor whether such formal agreement is or is not subsequently executed. The cost of necessary stamp paper for execution of the agreement shall be borne by the successful tenderer.
31. The Contractor should note that, unless otherwise stated the tender is strictly on item rate basis and their attention is drawn to the fact that, rates for each and every item should be correct, workable and self-

supporting. The quantities in the Schedule of Quantities approximately indicate the total extent of work but may vary to any extent and may even be omitted thus altering the aggregate value of the contract. No claim shall be entertained on this account. The contractor shall bring it to the notice of the University in case of any extra items not mentioned in the Schedule of Quantities during the course of the work and shall only carry out same on written approval from the University's Engineer.

32. The successful tenderer must co-operate with any other contractor appointed by the University so that the work shall proceed smoothly with least possible delay and to the satisfaction of the University's Engineer.
33. The University reserves the right to terminate the contract if the contractor fails to execute the job within the specified period or fails to keep the program of the work given by the contractor and approved by the University.
34. Precaution should be taken by the contractor while execution /shifting of materials to the workplace so that day to day working of the University will not be disturbed or stopped. The contractor should plan properly so that most of the work which causes maximum noises may be carried out in night of holidays.
35. After completion of the work the contractor is to clean the site and remove the wastage material and to dump the same at the site shown to him in the premises of the University. The malba related to the material supplied by the contractor is to be removed from the site /premises of the University at his own cost.
36. All other terms and conditions of the Road and Building Department, Government of Gujarat shall be applicable.
