---

**Gandhinagar, January 13, 2020:** Gujarat National Law University (GNLU) organized a reunion of its first batch at its campus on January 11, 2020.

The alumni enthusiastically participated in what was their first reunion after graduation in 2009. As many as 85 of them turned up, many with their spouses and children. They were overjoyed to come to their alma mater and see their batchmates and faculty after a decade.

The University organized an exciting line-up of activities to welcome home its first batch, one among which was a visit to the old campus of GNLU (in Sectors 24 and 26 in Gandhinagar) where they had stayed for five years. A short class conducted by Dr Nidhi Buch took them down memory lane to their University days. Further in the day, the alumni had a formal interaction with the Director Prof. (Dr.) S. Shanthakumar and faculty members. Director sought their help and guidance in further building the University as an institution of excellence and in assisting the current students in their future endeavours. A few alumni took this opportunity to express their gratitude to the University and the faculty for organizing this event and bringing them all together after a decade. They reminisced about old days and showed a zeal to connect with the junior batches.

The reunion ended with a cultural evening where the students and alumni performed, and a gala dinner.
