Message from the Director's Desk

Greetings on behalf of Gujarat National Law University!

It is indeed with great pride that the GNLU faculty members and I introduce the GNLU batch of 2018 to the entire legal fraternity. Since the University was founded in 2003, GNLU has always tried to inculcate its students with dignity, integrity and the desire to succeed, no matter the challenge. It is our belief that the batch of 2018 inculcates all the above.

The batch of 2018 consists of students of the highest caliber who are equipped to take on all the challenges of the profession, be it in the courts, corporate offices or classrooms. The students of the batch of 2018 have contributed greatly to the overall development of the University by not only bringing laurels in various national and international moot court competitions, client counseling competitions, debates and essay competitions, but also by securing publications in several leading journals. The students have also been part of organizing some of the University's largest events.

Having seen them mature and grow over the years, I am confident that given the opportunity, this batch has the ability to contribute in great ways, to not only themselves or the profession, but to the organization they work for and ultimately, to the nation.

With these few words, I, on behalf of the GNLU family would like to extend my warmest greeting and welcome all our prospective recruiters.

With best wishes,
Prof. (Dr.) Bimal N. Patel

ABOUT

Gujarat National Law University

Gujarat National Law University (GNLU) is a statutory university established by the Government of Gujarat under the Gujarat National Law University Act, 2003. The University is recognized by the Bar Council of India (BCI) and the University Grants Commission (UGC). The University is also a member of the Association of Indian Universities (AIU) and is presently Accredited with an 'A' Grade by NAAC and functions as the nodal agency to uplift the legal education in the State of Gujarat.

The GNLU Act, 2003 proclaims the objects of the University "shall be to advance and disseminate learning and knowledge of law and legal processes and their role in national development; to develop in the students and the research scholars a sense of responsibility to serve society in the field of law by developing skills in regard to advocacy, legal services, legislation, parliamentary practice, law reforms and such other matters; to make law and legal processes efficient instruments of social development; and to promote inter-disciplinary study of law in relation to management, technology, international cooperation and development."

The University is instrumental in providing a multi-disciplinary five-year integrated course – humanities, commerce, management, science, and social welfare. It is a global legal institution which undertakes a continuous, dynamic process of creating legal minds who are par excellence professionals with an innate sense of responsibility to the society.

With state of the art research facilities and campus infrastructure readily accessible, the students, faculty and research fellows find themselves well equipped to pursue their individual research interests. The University's library boasts of books on myriad, niche areas of law and aids in providing access to various online research databases and journals. Frequent interaction with the best legal minds through the media of conferences, guest lectures and specialized courses provide for a practical dimension to the theoretically intensive learning provided at the University. A decade since its establishment, the University has constantly been in pursuit of academic and professional excellence in imparting legal education.

The Committee on Recruitment Affairs

The Committee on Recruitment Affairs (CRA) is an integral unit of GNLU which has existed since the very establishment of the University. The primary objective of the Committee concerns enlarging the recruitment prospects of the student body while coordinating with legal houses of all spheres of law in order to generate both, present and future interest in the institution. To ensure a wholesome development of the students, the Committee facilitates a spectrum of internship opportunities for all batches on a running basis, while also organizing annual workshops for exploration of their future prospects in collaboration with an external expert agency. The CRA consists of a well-organized set of stake holders, ranging from faculty heads, administrative staff and student members, with each layer contributing to the attainment of the Committee's objectives. The Faculty Convenor, assisted by the administrative staff, seeks to ensure dynamism in the functions of the Committee while expanding the sphere of activities and professional outreach every year. Student members are layered as 'Members of the Committee on Recruitment Affairs', comprising of final year students; 'Members of the Preparatory Committee on Recruitment Affairs', comprising of students of the penultimate year; and 'Members of Pre-Preparatory Committee on Recruitment Affairs', which consists of students from the third academic year. The Committee thus strives to achieve the principle of holistic development while moulding the thoughts and vision of all its stakeholders.

The batch commits to achieve the highest standards and caliber possible. This commitment has resulted in successes across national and international moot court competitions, publications in legal and interdisciplinary journals, international and national courses, conferences, seminars, in addition to the accolades earned in sporting and debating events. Moot court

Moot Court Committee (MCC) of GNLU is an integral part of holistic continuous legal education at the University as it organizes and facilitates intra-moot court and Client Counseling competitions to facilitate a fair and healthy competitive culture amongst the students. The MCC has the primary responsibility of providing the students a platform for participating in various national and international Moot Court Competitions.

GNLU International Moot Court Competition (GIMC), the flagship moot competition of the University has earned the distinction of being a premier Moot Court Competition across the nation. Ever since its inception in 2009, the GIMC has been following the tradition of setting high benchmarks.

The MCC has also been instrumental in providing an impetus through editions, leading to critical acclaim from prestigious organizations including the ASIL, ILSA and ASIA SIL, for quality of research and spirit of competition.

The success of GIMC inspired the launch of GNLU Moot on Securities and Investment Laws (GNLUMSIL). The first edition of GNLUMSIL, 2015 was a host to 24 teams from various law schools across India.
