The ethos of imparting education in Gujarat National Law University comprises a mutual endeavour of the Faculty and the students who become part of our august family after clearing the hurdle of a rigorous and strenuous selection procedure, since only the cream of the country finds a place amidst us. The University has been in the process of striving for academic and professional excellence in the field of legal studies in the country. The University became functional from the year, 2004. Our teaching methodology and the student response to it can be safely summarized as being par excellence. Our student fraternity has won us laurels in the various spheres of national and international moot court competitions, paper presentations and various cultural activities. We strive for an all-round and inter-disciplinary academic excellence in sync with the other National Law Schools of the country.

Since its inception, the University has been holding regular in-house Moot Court competitions, after which meritorious students are sent abroad for participating in Moot Court jamborees. The hub of activity be credited to our Moot Court Committee and the Legal Aid Clinic, which have developed a workable and efficient interface with the industry and the Judiciary to the satisfaction of all. As we persist in our academic endeavours, it won't be an overstatement to say that our University will become a leader in the sphere of legal education in the country. Our founding motto too objectifies the ideal of, "Let all good and noble thoughts come to us from all directions", which is a hymn from the Rig Veda.
