Issue No. 01

# About GNLU

Gujarat National Law University, Gandhinagar (Accreditation with 'A' Grade by NAAC), is a Research-Based Teaching University established under the Gujarat National Law University Act, 2003, recognized by the Bar Council of India (BCI) and the University Grants Commission (UGC), provides the most diversified and unique teaching, research, training and extension programs. It enjoys membership of National and International network of universities, namely, Association of Indian Universities (AIU), United Nations Academic Impact (UNAI), International Association of Law Schools (IALS), Asian Law Institute (ASLI) and the Shastri Indo-Canadian Institute (SICI).

National Institutional Ranking Framework (NIRF) Ranking 2023 released by the Ministry of Human Resource Development, Government of India ranked GNLU as the 7th best law school in the country. GSIRF (Gujarat State Institutional Ratings Framework) ranked GNLU as a 'Five Star' University in the Category of law with the highest CGPA. GNLU is ranked 4th among the top law Institutes in 'Outlook Ranking 2023' and 4th best law college in the Country as per 'India Today Ranking 2023'. In addition, Week Survey in 'Best Law College' Category also placed GNLU in 4th Position during the Year, 2023.

# About GNLU Library

The library is the central focus of all university academic, research, extension, and training activities. The main functions of our library are the acquisition, dissemination, and preservation of information resources. Library offers a cozy, supportive, and welcoming environment for reading, research, reference, and intellectual exchanges. It provides a vast space to accommodate more than 300 users simultaneously, with common, group, and individual silent reading space facilities. The library occupies 2760 square meters of space and is the largest air-conditioned wing in the administrative building to stack and preserve print and digital resources.

Higher education institutions across the nation switched to online instruction in March–April 2020 due to the Covid-19 pandemic's early outbreak. Although the students could not physically use the extensive library facilities, the GNLU Library still made various strategic adjustments to continue providing its services to the teachers and students, primarily in digital form. It accelerated and reinforced trends in library spending on digital materials and services. The library system operates fully automated on the LMS Libsys Platform, incorporating state-of-the-art RFID/EM technology for enhanced efficiency and functionality.

The GNLU Library made significant investments in acquiring (buying and licensing) digital collections even before the pandemic. To facilitate distance research, teaching, and learning, our library was well-equipped to switch to virtual services. We could close and reopen the physical library and allocate changes to collections, operations, and library services.
