

Call for Entries: 10th GNLU Air and Space Law Academy (GASLA 2025)

The V.S. Mani Centre for Air and Space Law (VSMCASL) at Gujarat National Law University (GNLU), in collaboration with the Institute of Air Law, Space Law and Cyber Law, University of Cologne (Germany), is proud to announce the 10th Edition of the GNLU Air and Space Law Academy (GASLA 2025). GASLA has become a premier academic platform for engaging with emerging legal challenges in aviation and outer space.

This year's academy will feature intensive lectures and interactive sessions led by globally renowned legal scholars, industry professionals, and policy experts. Tentative themes include aviation safety and security, aerial terrorism, consumer rights, environmental challenges in aviation, space mining, tourism, debris, crimes, and national space policies.

GASLA 2025 is open to students, faculty, researchers, professionals from the aviation and space sectors, government officials, and members of the armed forces.
