

Gujarat National Law University

GNLU Academy on Law and Economics (01st-05th April, 2020)

GUJARAT NATIONAL LAW UNIVERSITY
CENTRE FOR LAW & ECONOMICS

About the course

Economics lets one examine the choices made, given the various constraints they have. As the constraints change, behavior change as well. Be it Legislature, Executive or Judiciary, any decision making body as well gives considerable attention towards impact analysis through economic tools. It becomes pertinent to read Law and Economics, wherein economic tools are used to better understand the law and to find its efficiency and working. It permits the greater use of economics to examine the law in addition to recognizing the importance of law to an analysis of the economy. Keeping the objective in mind, the course will aim at providing an insight to learners regarding application of economic approach in legal arena by touching numerous areas of law such as Constitutional law, Competition law, Finance law, Mediation law, Environmental law, Capital Markets, Policy Making etc.

Aims:

The purpose of this course will be to provide participants with an understanding of different arenas of legal field using the tools of economic analysis. It will only help them explore the legal areas through an outlook focusing upon the greatest good to respective stakeholders. It will also help them to identify limitations and functions and solutions to improve the quality of respective legal fields.

Potential benefits:

- Participants will learn tools and techniques used in the study of Law and Economics.
- Participants will get exposure of learning economic analysis of different arenas of legal studies.

Methodology:

Lectures, case study, data analysis and e-content.

Evaluation:

Project, Project Presentation and Viva
