

About Gujarat National Law University

Gujarat National Law University (GNLU), located in Gujarat, India, was established by the Government of Gujarat under the Gujarat National Law University Act, 2003 and is recognized by the Bar Council of India (BCI) and University Grants Commission (UGC). GNLU is a comprehensive, student-centric, multidisciplinary and research-focused University, dedicated to building an environment enabling critical thinking on fundamental legal issues. It offers (1) B.A., LL.B. (Hon.), (2) B.Sc. LL.B. (Hon.), (3) B.Com. LL.B. (Hon.), (4) B.B.A., LL.B. (Hon.), (5) B.S.W. LL.B, (6) LL.M. and (7) Ph.D. in law and allied subjects apart from other certificate/diploma courses. GNLU was ranked 7th in the ranking issued by the National Institutional Ranking Framework (NIRF) of the Government of India, in 2023. GNLU has also been awarded "A" Grade by the National Assessment and Accreditation Council (NAAC) and ranked number 1 in Gujarat with 5 stars by the Gujarat State Institutional Ranking Framework in 2022. GNLU is committed to excellence in teaching, research and holistic development of the student and staff. It aims to develop a sense of responsibility among the students and research scholars to serve society with the help and in the field of law by developing skills with regard to advocacy, legal service, legislation, law reforms and the like. It aims to promote legal knowledge and to make law and the legal process efficient instruments of social development and social justice.

About GNLU Centre for Law and Technology

GNLU established Centre for Law and Technology which strives to keep its stakeholders abreast with the developments in either of the fields and ensure providing a platform for the creation of the academic blend of science and law by raising awareness, holding capacity building programs not limiting to conferences, quizzes, and talks, at the University, ultimately enhancing the acumen and quality of research at regional, national and international levels. This will, in turn, help build responsible future legal professionals acquainted with the convergence of the science enabling them to contribute not only to the legal systems of India but of the world, at large and in general to the society, effectively as per the need of the hour.
