

About Gujarat National Law University

Gujarat National Law University (GNLU) was established by the Government of Gujarat under the Gujarat National Law University Act, 2003 and is recognized by the Bar Council of India (BCI) and University Grants Commission (UGC) having campuses at Gandhinagar and Silvassa. GNLU is a comprehensive, student-centric, multidisciplinary and research-focused University, dedicated to building an environment enabling critical thinking on fundamental legal issues. It offers at its Gandhinagar Campus (1) B.A., LL.B. (Hon.), (2) B.Com., LL.B. (Hon.), (3) B.Sc.LL.B. (Hon.), (4) B.B.A., LL.B. (Hon.), (5) B.S.W. LL.B, (6) LL.M. and (7) Ph.D. in law and allied subjects apart from other certificate/diploma courses. GNLU was ranked 8th in the ranking issued by the National Institutional Ranking Framework (NIRF) of the Government of India, in 2024. GNLU has also been awarded "A" Grade by the National Assessment and Accreditation Council (NAAC) and ranked number 1 in Gujarat with 5 stars by the Gujarat State Institutional Ranking Framework in 2024. GNLU is committed to excellence in teaching, research and holistic development of the student and staff. It aims to develop a sense of responsibility amongst its stakeholders to serve society with the help and in the field, of law by developing skills with regard to advocacy, legal service, legislation, law reforms and the like. It aims to promote legal knowledge and to make law and the legal process efficient instruments of social development and social justice.

About GNLU Centre for Law and Technology

GNLU established Centre for Law and Technology, which strives to keep its stakeholders abreast with the developments in either of the fields of Science/Technology and Law. It provides a platform for the creation of the academic blend by raising awareness, holding several capacity building programs not limited to conferences, quizzes, and talks, at the University, ultimately enhancing the acumen and quality of research at regional, national and international levels. The Centre through its activities help build responsible future legal professionals acquainted with the convergence of the science/technology and law enabling them to contribute not only to the legal systems of India but of the world, at large and in general to the society, effectively as per the need of the hour.
