## GNLU PRESS NOTE No. 13/2021

### **Mr Rohin Bhatt secured admission to the Master of Bioethics programme of Harvard University, USA**

---

**Gandhinagar, March 05, 2021:** Mr Rohin Bhatt, a final-year student of the BA LLB programme of Gujarat National Law University, has secured admission to the Master of Bioethics programme of Harvard University, USA.

Rohin will graduate from GNLU in April 2021 and join Harvard in September 2021.

Established in 1636, Harvard is the oldest institution of higher learning in the USA and the world's most prestigious. Harvard has more alumni, faculty, and researchers who have won Nobel Prizes (161) than any other University in the world. Its alumni also include eight U.S. presidents and 188 living billionaires, the most of any university. Its students and alumni have also won 10 Academy Awards, 48 Pulitzer Prizes, and 108 Olympic medals (46 gold).
