

Joy of Sharing

Gandhinagar, November 12, 2020: Students and alumni of Gujarat National Law University (GNLU) made generous contributions to raise a fund to cheer up the contract staff providing housekeeping and security services at the university on the eve of the Diwali festival. The fund was utilized for the distribution of ration kits costing Rs.1,000/- each to these staff members numbering around 125. The kits were given away by GNLU Director, Dr S. Shanthakumar today.

It may be recalled that GNLU students and alumni, under the aegis of GNLU Centre for Law and Society, had also extended a helping hand to the migrant workers stranded during the lockdown earlier this year. They helped around 12,000 migrant workers reach their home towns and also provided ration and medicines to close to 5,000 workers.
