Technological advancement has made International civil aviation a necessity in our contemporary world and reduced the globe into a village by bringing people closer. It has emerged as a classical example of global cooperation both on the ground and in the airspace. Its safety and security is of paramount concern in the light of the adoption of newer ways to threaten aviation infrastructure. At the same time, commercial considerations are its fundamental drivers and well-developed civil aviation industry is vital to any modern economy. International regulatory framework for Air Law strives to achieve an optimal balance between these competing considerations. India, being the world's largest and most diverse democracy is no exception. DEPARTMENT OF ALUMNI RELATIONS

A university's alumni are the reflection of its past, representation of its present and a link to its future. Educational institutions are changing the way they see and interact with their alumni community. Earlier, alumni and their alma-mater were treated as separate entities wherein one's existence was independent of the other. In order to develop relations between the University and its alumni, GNLU has established the Department of Alumni Relations. Currently, the department is headed by Dr. Saurabh Anand along-with Dr. Avinash Bhagi, Dr. Nidhi Buch, Ms. Hetvi Trivedi and Mr. Malav Buch.

CRITIQUE – A STUDENT DISCUSSION FORUM

Critique is a student discussion forum that eliminates hierarchy and initiates such conversations about the most pressing issues that our society faces with the humble aim that discussants may leave the platform with an understanding about a new perspective. The kind of perspective, specifically, that can neither be gained from books nor from lectures. Where the forum does not press strongly regarding the achievement of goals, it places much greater emphasis on method. The forum ensures that it remains open to all views expressed by students and this openness is designed to strike at the root of various prejudices, misconceptions and stereotypes that often remain embedded in our minds.

DEBATING SOCIETY

The GNLU Debating Society was formed with the aim to promote parliamentary debating within University and to increase participation in national and international debating competitions. The Society considered it necessary to inculcate debating as an everyday activity among GNLU students and, hence, introduced the concept of the GNLU Debating League (GDL) which meant holding weekly debating sessions and maintaining a tab of participation. The Society's aim was to make debating a culture within GNLU, and to develop that idea, it was necessary to have an international debating competition within the University.

GNLU MEDIA

GNLU Media is constituted to cover all the activities of the University in coordination with other Committees. The GNLU Media Committee provides a common platform for all events whether Cultural, Academic, Sports or Entertainment. For the purpose of swift and efficient management, the Committee is composed into two sub committees, namely the Multimedia Wing and the Social Media & Content Creation Wing. We strive towards exploring and portraying opinions, views and coverage of social and legal issues, alumni interactions and faculty interviews. The Team has an inside track, which provides substantive content, thoughtful commentary, and informed discussion with an occasional bit of wit and irreverence.

LEGAL SERVICES COMMITTEE

The Legal Services Committee set up under Section 4(k) of the Legal Services Authorities Act, 1987, rides on the principles of empowering the society with legal awareness and legal aid. Over the years, the LSC has strived to recognize the potential of law as an instrument of social change. The Legal Services Committee acts as a 'community legal clinic' and focuses on, inter alia, the deprivation of government benefits, eviction and issues of domestic violence. The LSC has always been motivated to work for the betterment of the society and more so for the enhancement of living standards of the underprivileged. In this regard, activities such as street plays, drama performances and community legal service programs which promote legal awareness in areas akin to environment, consumer rights, human rights, right to information and labour laws are often organized by the LSC.

GNLU PRO BONO MANDATE

With a view to encourage students to give back to the society and to promote access to justice, GNLU from the academic year 2015-16, made it mandatory for each student to undertake Pro Bono activities for a minimum of 100 hours in his/her entire tenure of undergraduate law programme. Activities by GNLU students to complete their mandate includes undertaking legal literacy programmes, conducting social awareness programmes, promoting government schemes, providing legal advice, assisting Legal Services Authority, undertaking cleanliness drives among others. This Pro Bono mandate of the students is overseen by the Pro Bono wing, which is a part of the Legal Services Committee. As per the Pro Bono guidelines, a student can undertake Pro Bono work only under a gazetted officer. The students are required to complete at least 20 hours of Pro Bono work each academic year, thereby culminating into 100 hours of Pro Bono work in five years of their undergraduate law programme. On completion of their Pro Bono work, students are required to submit a certificate signed and stamped by the gazetted officer under whom the Pro Bono work was undertaken and a report explaining the nature of work and the impact of such work in the community.

These certificates and work completion reports are then scrutinized by the faculty convenor of the Legal Services Committee. Non-completion of the Pro Bono mandate leads to punitive measures such as withholding examination results and removal from membership of all centres, committees and clubs run by GNLU. The Pro Bono wing also undertakes certain activities throughout the academic year where students are awarded Pro Bono hours for volunteering. Some of the activities undertaken by the Pro Bono wing include undertaking door-to-door awareness campaigns on domestic violence act, procedure to file FIRs; street plays; Swacch Bharat campaign; organising blood donation drive among others. In order to motivate students to contribute to the society, GNLU has also introduced the Annual Pro Bono Legal Aid Award. One student from each batch is felicitated with this award for the Pro Bono work undertaken by her in an academic year. A special panel is set up each year to evaluate the work undertaken by the nominees and the panel looks into indicators such as nature of the activity, sociolegal impact of the activity among others.
