- 20.4 All the pages of the Technical and Financial Proposal shall be duly signed by the Authorized Signatory of the Bidder before submission. Corrections, if any shall be counter signed.

21 General Instructions and Terms and Conditions

- 21.1 The proposal along with all the correspondence and documents exchanged by the Bidder and GNLU shall be written in English language.
- 21.2 Amendments to the Tender: The designated committee at GNLU reserves every right to amend any of the tender conditions or a part thereof, before the last date for the receipt of the Tender, if necessary. Amendments, if any, would be put on the website. The decision of extending the due date and time for the submission of Tender documents on account of amendments will be the sole discretion of GNLU.
- 21.3 **Reserved Rights:** GNLU reserves the following rights with regard to this Tender:
- 21.4 To cancel this Tender at any stage without assigning any reason.
- 21.5 To disqualify any Applicant(s) based on Applicant(s) failure to follow solicitation instructions
- 21.6 GNLU reserves the right to waive any deviations by Applicants from the requirements of this solicitation that in GNLU opinion are considered not to be material defects requiring rejection or disqualification; or where such a waiver will promote increased competition;
- 21.7 Extend the time for submission of all Tender responses after notification to all Applicants;
- 21.8 Terminate or modify the Tender process at any time and re-issue the Tender to whomever GNLU deems appropriate;
- 21.9 GNLU reserve the right to select and negotiate with those applicants it determines, in its sole discretion, to be qualified for competitive proposals and to terminate negotiations without incurring any liability;
- 21.10 GNLU reserves the right to negotiate the fee or issue an award based on the initial evaluation of Applicants without discussion;
- 21.11 No proposal shall be accepted unless it is properly sealed. The bidders shall not be allowed to fill in or seal their proposal at the GNLU office.
- 21.12 The documents should be sent by speed post/registered post/courier or hand delivered.
- 21.13 If the envelope is found to be open, not sealed and not marked as instructed above, GNLU will not be responsible for misplacement or premature opening of the proposal submitted. Any proposal opened prematurely due to this cause shall be rejected.
- 21.14 The bidder is advised to attach any additional information that is considered necessary in regard to establish the capabilities. No further information will be entertained after submission of application unless it is required by GNLU. GNLU, however, reserves the right to call for additional information and clarification on information submitted by the bidders.
- 21.15 Proposals must be received by GNLU at the address specified not later than the date and time specified in the Invitation of Tender. In case the specified date for the submission of proposal being declared holiday by the GNLU, the same will be received on next working day with the same specified time. Proposals received after the due date and time specified will automatically be rejected.
- 21.16 **Withdrawal of Proposals:** Applicants may withdraw proposal by written notice, in-person or email received at any time before last date and time of submission of tender.
- 21.17 Last date for submission of the Tender: The last date for submission of complete Proposal with

all supporting documents (by hand or by post) is 01st October 2024 by 5:00 PM. Any Proposal received after this prescribed time will not be entertained. GNLU will not be responsible for any loss in transit or postal delay.

- 21.18 **Opening of Technical Bids:** Sealed tenders received up to 03rd October 2024, by 11:00 AM will be taken up for opening. Tender received after specified date and time will not be accepted. GNLU reserves the right to disqualify any of the Tender in case it is not satisfied with the documents furnished or otherwise without assigning any reasons thereof. The Technical proposal will be opened on 03rd October 2024 by 11:00 AM at GNLU, address as mentioned.
- 21.19 **Opening of Financial Bids:** The Financial proposals of only those Bidders qualifying on the basis of the assessment of Technical proposals will be opened.
- 21.20 Any efforts by bidders to influence the GNLU personnel or representatives on matters relating to the tender, in the process of examination, clarification, evaluation and comparison of proposal and in decision concerning award of contract, shall result in the rejection of the Bidder's proposal. Failing to execute the contract Agreement within the said period may result in termination of contract and award of the same to other contractor at the risk and cost of the contractor.
- 21.21 The person to sign the contract agreement shall be duly authorized.
- 21.22 The NIT shall not bind GNLU in any way whatsoever to offer any job to the applicant if it is decided to abandon the NIT.
- 21.23 GNLU assures that the documents and presentations by the applicants will be kept strictly confidential and will not be used for any purpose other than the process of selection of the final applicant. All documents created/prepared during the assignment by the selected application shall be the property of GNLU and they will have the rights associated with such documents.
- 21.24 Offer Verification: GNLU may contact applicant to confirm contact person, address, bid amount and to confirm that the bid was submitted for this solicitation.
- 21.25 Conflict of Interest: Applicants must provide disclosure of any past, present or future relationships with any parties associated with the issuance, review or management of this solicitation and anticipated award. Failure to provide full and open disclosure may result in GNLU having to re-evaluate selection of potential Applicants.
- 21.26 Arbitration: Should any dispute arise; it may be referred to an Arbitrator appointed by mutual consent. The place of Arbitration shall be Gandhinagar, Gujarat.
- 21.27 The cost of travel and stay of the officials from bidders for attending meetings with GNLU will be met by the respective bidder.

22 EVALUTION OF PROPOSAL

- 22.1 A committee formed by GNLU would first examine the Technical bids based on the details provided in the Tender document for those Agencies who are short listed as per the qualification criteria. The Financial bids would be assessed only for those agencies whose technical bids are considered to be adequate and secure minimum Technical qualifying marks as mentioned in paras below.

23 Selection of Agencies:

- 23.1 **Administrative Screening:** The designated committee will do the administrative screening of all the qualifying Technical bids. Technical bids meeting all the pre-qualification criteria will be considered for Technical Evaluation. The technical bids which do not qualify administrative screening will be summarily rejected.
- 23.2 **Technical Evaluation:** Technical bids qualified in the Administrative Screening will be considered for Technical Evaluation. The designated committee will evaluate all the Technical proposal of the agencies. The agencies are required to score a minimum qualifying marks of 40 points out of

60 in the technical proposal in order to qualify for interview.

- 23.3 **Interview cum Presentation:** The agencies qualifying in the Technical Evaluation will be called for interview cum presentation. The designated committee will evaluate the presentation and interview and give marks out of 10.
- 23.4 For the Final evaluation, the weightage for the Technical proposal, Interview and Financial proposal, would be 60%, 10% and 30%, respectively.
- 23.5 GNLU reserves the right to negotiate with the Bidder whose proposal has been ranked first by the Committee on the basis of Technical and Financial Evaluations and the Interview.
- 23.6 The submitted proposals will be valid for 60 days from the “Last date of submission of Tender”. GNLU will make its best effort to select the Agencies within this period.

24 Technical Evaluation (60)

Technical evaluation shall be carried out based on the following:

Sr. No.	Evaluation Criteria	Maximum
1	Years of work experience in Architect Services	10
2	Types of Projects completed (Educational Institutes, Residential, Hotel & Hospitality,	30
3	Financial Value of Projects completed	10
4	Organizational Structure and staff strength	10
	Total	60

Note: Score received out of 100 will be recalibrated to out of 60.

25 Interview (10)

Those agencies who will qualify in the Technical Evaluation will be invited for a personal Interview, wherein, the agencies will be given time slot to give a presentation. Format of Presentation will be shared with the selected agencies via tender email after opening and scrutiny of Technical Bids.

26 Financial Evaluation (30)

Full marks will be awarded to the lowest qualifying bidder. For subsequent bidders the marks will be a ratio of the lowest bidder. If the lowest bid is “X” and bid for “Y” needs to be evaluated then its marks will be "highest mark x (X/Y)".

Technical Evaluation Criteria

Sr. No.	Evaluation Criteria	Maximum
1	Years of work experience in Architect Services	10
