

Lecture on taxation for startups

Gujarat National Law University (GNLU) organized a lecture on 'Incorporation and Taxation for Start-ups' on October 11. The speaker for the session was Pranav Thakkar, advocate and founder of a law portal. He covered different laws of taxation. The lecture was organized by GNLU Legal Incubation Council. In his speech, Thakkar mentioned that it is important to understand the legal framework under which the the venture functions and how entities come under scanner. TNN
